

florence jones

Florence Jones is the name of our deaf cattle dog X.

Florence is different and so are we.

Our vision for **florence jones** is to create a space that is casual, inviting, unpretentious and inclusive.

We have brought together our passion for food, wine, and fashion with a hope that with your support together we can provide a unique offering to the Port Macquarie community.

We invite you to create your own journey through a carefully selected cheese, wine and charcuterie offering.

All our wines on the shelf are on offer for you to enjoy and there is also a small selection of wines by the glass on the following pages.

The cheese and wine selection inhouse is available for you to purchase and enjoy at home as are the retail items of the shelves.

If you are unsure or need some advice, or if you are after something that we do not have, please do not hesitate to ask.

START YOUR JOURNEY BY PLACING YOUR ORDER AT THE BAR
